Letter No.Bang-Audits,dated the ~~4th~~ July,1931,from the Audit Officer,Experiments,Bangalore.

(1) Enquires

The Audit Officer ~~asks~~ whether the grant of Rs.500/- sanctioned to the Bangalore Boy Scouts Association in proceedings No.3832,dated the 28th May,1931,was ~~a justifiable one in accordance with the orders of the orders of the Govt of India in S.N.491~~ justified by the examination of the Association's financial affairs.

S.N.264 — D

(2) A reference is invited to the statement of estimated receipts and expenditure furnished by the Honorary Secretary in S.N.268/a,which shows that the estimated expenditure exceeds the estimated receipts by Rs.610/-,even ~~though the receipts already include~~ with the inclusion of the anticipated Govt grant of Rs.500 Without this grant the Association would ~~have~~ be short of funds by Rs.1110/- ~~for an estimated expenditure of Rs.3600/-~~.

(3) The Audit Officer may be told that the grant was a justifiable one.

S.N 474
46A/1911

1. In this office letter No.PB 6-457 dated 11-5-27, it was suggested that the sanction of the Government of India might be obtained for giving an annual recurring grant of Rs.500/- to the Association, as in the years 1925-26, 1926-27, and 1927-28, the same sum of Rs.500/- was sanctioned and it appeared that it was a recurring rather than a non-recurring grant. But the Resident explained to the Government of Indi that it was not intended to treat the payment of the grant to

S.N.475
46A/1911

the Association as a recurring grant " payable as a matter of course every year," and requested authority"to sanction in future years a grant from public revenues of an amount which is justified by an examination of the financial affairs of this Association" .

S.N.491
46A/1911

(b) In authorising the Resident to do this, the Government of India limited the amount to be sanctioned to Rs.500/- per annum.

(c) It is clear therefore that it is for the Resident to fix the amount of each year's grant on an examination of the financial affairs of the Association. And when the amount of grant has been sanctioned by him, the obvious presumption is that the Resident has examined the financial affairs of the Association and that he is ~~justified by such examination~~ satisfied that the amount sanctioned by him is what is justified by such examination. His sanction can be questioned therefore only when the amount of the grant is in excess of Rs.500/- in any year.

(d) It is difficult therefore to see the point of the Audit Officer's enquiry " whether the examination of the Associa-tion's financial affairs justifies the payment of the maxi-mum grant of Rs.500/-". Supposing we replied "yes", I wonder how that would comfort the Audit Officer.

Perhaps he wants an assurance that the grant of Rs.500/- is justified, but one fails to see how he is entitled to demand it. Even in that case, I think he should have stated his requirement plainly.

(e) Is he in a position to suggest that the financial affairs of the Association have not been examined, or that the examination does not justify the grant of Rs.500/-? Obviously not.

(f) So far therefore as the disposal of the P.U.C. is concerned, I would simply ask the Audit Officer to be less cryptic and to state exactly what information he wants and under what rule. The only rule# that may possi-bly be applied to a case like the present is the follow-ing:-

" If the sanctioning authority is granted powers which may be exercised provided due regard is paid to certain criteria which are expressed in a general form. sanctions accorded under those powers can be challenged by audit, ...

if the facts of the case are such as to make the audit authority confident that one or more of the criteria have been disregarded ".

But Rs.500/- may be much less than what the examina-tion of the accounts justifies.

(7) 2. (a) I see from the files in the case that the Associa-tion sends an estimate of its receipts and expenditure for the year when making an application for the grant. The estimate for 1931 showed an excess expenditure of Rs. 610/- even after receiving the Government aid of Rs.500/- The estimate for 1930 showed an excess expenditure of Rs. 100/-. The Association appears to have been preparing [redacted] deficit budgets from 1927 September. The statements of [redacted] actual receipts and expenditure of the previous year [redacted] however [redacted] sent with the applications, [redacted]

the Resident is not in a position to judge whether any expenditure over receipts was actually incurred in any year, and if so, how it was actually met. I think we might ask the Association to let us have the last year's statement of receipts and expenditure, and send such a statement along with its application for grants for future years.

(6) This aspect of the matter was brought to the notice of the Hon'ble the Resident by Major Loch, please see para 9 of his note dated 4-6-29. He remarks that the actual expenditure is always less than the receipts, although the budget is always for a deficit. No action was however taken.

(7) I think the matter is sufficiently important to deserve reconsideration .

(8) From para:(6) ante.

(9) In regard to the Pay and Account Officer's remarks at the Audit Officer's para:(7)(1)(d) ante, it seems that ~~it is the duty of the Audit Officer to ascertain as required by~~ enquiry in P.U.C. is based on # Article 125(iii) of the Audit Code which runs as follows:-

> " If it (the sanctioning authority) is granted
> " powers which are expressed in precise terms, the
> " Audit Officer is bound to ascertain that the
> " order defining its powers is exactly obeyed in
> "every instance".

It seems therefore that the draft/already reply put up may issue.

(10) The P.+A.O.'s remarks in ~~As regards~~/para:(7)(1)(f) ante, are based on ~~the Pay and Account Officer in his criticism of the Audit Officer, seems to take protection under~~ Article 125(ii)(2) of the Audit Code; but, as stated above, the Audit Officer seems to be within his rights to ask for the information under # Article 125(iii).

(11) As, ~~however~~, the Pay and Account Officer suggests that the point raised by Major Loch in his note of date 4-6-29 but dropped by Sir Steuart Pears, is suffieiently important to deserve reconsideration, we may ask the Honorary Secretary and Treasurer, Bangalore Boy Scouts' Association, Bangalore, to furnish us with a copy of the statement of receipts and expenditure and the balance sheet for the year 1930-31 and for the year 1931-32 when ready. He may also be told that

that whenever an application is made to the Hon'ble the Resident for a Government Grant ~~for a particular year,~~ more accurate budget estimates ~~for that year~~ should be submitted along with a statement of actual receipts and expenditure and a balance sheet for the previous year. These statements may be useful for the determination of the amount of the grant to be sanctioned.

20 Please see paras ~~6 to~~ 16 of notes and S.N.1 and 5.

The Honorary Secy, Bangalore Boy Scouts Association (E. & Pvc) has now sent in a statement of actual receipts and expenditure of the Association for the year ending 31st Dec 1931.

B The statements also appear in pages 20 and 21 of the Report for 1931.

21 From the actual figures now furnished it will be seen that the expenditure for 1931 (Rs.2048-8-5) exceeded the receipts (Rs.1492-0-0) by Rs.555-8-5.

S.N-268/a 22 From a comparision of these figures with the estimates of receipts and expenses furnished by the Hon Secretary in May 1931, while applying for a Govt grant from the Assigned Tract Revenues, it appears that he was not ~~beside the mark~~ on the whole far wrong in forming his estimates. It will also be seen that the balance at the credit of the Association has been reduced (1st Ec & Pvc) from Rs.1333-9-2 to Rs.778-0-9 i.e. by Rs.555-8-5.

23 If the Association were not to receive a grant from the Govt, the balance at the credit of the Association would be practically nil. Hence it seems that the Boy Scouts Association would be much handicapped without a grant from the Govt. In this connection a reference is invited to the

With the anticipated Govt grant the expenditure exceeds the receipts by 262-10-11. Without the Govt grant the expenditure would exceed the receipts by 762-10-11.

It is further stated by him that without the Govt grant the Association would be able to meet its expenditure only by drawing on its accumulated funds, thereby endangering the progress of the Scout movement. These accumulated funds, it is stated, are necessary to run, once in two or three years, for Scoutmasters and Cub-masters. (L, training camps)

§ para 32 of these notes

(43)

The Boy Scouts have been getting a non recurring grant ever since 1925. In everything but name, therefore, the grant is recurring and the fiction of its being non-recurring is kept up year by year merely to enable the Resident to sanction the grant without a reference to the Government of India. I should like to know whether there are any rules on the subject of non-recurring grants as it would appear that we ought to face the question of establishing a case for making it recurring or else drop it altogether.

I can't find this about 47 of see which answers it. 7.a. 16.3

(2) (44)

The rule on the subject is ~~as follows:-~~ which runs as follows: —

Rule 64 of the Book of the Financial Powers, ~~states~~:

~~That~~ In any individual case, a Minor Local Govt (i.e. the Hon'ble the Resident in the case of the Station) may sanction recurring expenditure not exceeding Rs200 a year or non-recurring expenditure not exceeding Rs. 1000/- on any object for which no scale or limit to its power of sanction is prescribed by any Act, rule, code or order covered by rule 2, if the following conditions are fulfilled, namely;

(1) the sanction does not involve an express contravention of an existing rule or order of the Governor General in Council, and

(2) the expenditure is within the powers of sanction of the Governor General in Council.

In

S.R-476/46A-1911 (G) (45)

In 1927 the Pay and Accounts Officer objected to th grant of Rs.500/- sanctioned to the Association, on the ground that similar grants of Rs.500/- were sanctioned in the two preceding years. The matter was therefore ~~then~~ referred to the Govt of India who authorised the

S.R-475/46A-11 (H)

S.R-491/46A-11 (K)

Resident to sanction ~~similar grants payable as a matter of course in each year if the finances of the Associati justified such grants sanctioned~~ in future years the grant of an amount not exceeding Rs. 500/- per annum, which is justified by an examination of the financial affairs of the Association. It was not intended then to treat this as a recurring grant. It also appear to have been the intention to withdraw or reduce the grant ~~as soo~~ when ~~as~~ the finances of the Association improve. ~~or to sanction such sums within Rs.500/- as the finances deserved~~.

(46)

For favour of orders

Whether a grant of Rs.500/- or any sum less than Rs.500/- ~~(owing to the slight improvement of the finances of the Association this year)~~ may be sanctioned, ~~or~~

~~Whether the Hon. Secy of the Association may be asked if if he can adduce any grounds to address the Govt of India with a view to make the grant a recurring one.~~

(from para 38)

VRasuppa
13/5/33

(47)

The object of treating this grant as a

non-recurring

non-recurring one is to enable the Resident to reduce or stop it altogether whenever he is satisfied that the finances of the Association warrant such a step. It is for this reason that we have been examining the financial position of the Association before sanctioning the grant in any year.

The financial position of the Association for the last 3 years and the estimated receipts (including the Government Grant of Rs.500/-) and expenditure for the current year have been shown in paragraph 39 ante. Without the Government grant there is expected to be a deficit of Rs.762-10-11 in the current year.

para. 42 ante

But the Association has at its credit Rs.1303-9-5 being the accumulated funds at the end of 1932.

Dear Sir,

I am directed by the Executive Committee of the Bangalore Boy Scouts Association, to approach you with the request that the non-recurring grant of Rs 500/- from the Government be renewed this year. The Association had to spend a sum of Rs 671-14-1 (ie total expenditure Rs 786-3-1 less Rs 114-5-0 realised from entrance fees) last year for holding training Camps for Scoutmasters and Cubmasters and for sending some of its scouters to be trained in the Wood-badge Course at Coonoor. A sum of Rs 90-5-0 was also spent in purchasing an additional tent for the use of scouts going into camp. These items were in addition to the ordinary annual expenditure of Rs 1286-5-4 for 1931.
The Association is barely able to meet its annual expenditure with public subscriptions amounting to Rs 225/- and the

Municipal and Government grants of Rs 500/- each. The extra expenditure had to be met from the accumulated funds of the Association and as a result the closing balance for 1931 was only Rs 778.0.9. whereas the year began with an opening balance of Rs 1383.9.2. Without the Government grant for 1932, the Association will be able to meet its expenses for the year only by drawing on its accumulated funds and thereby endangering the future of the Association. For it is these funds which enable the Association to hold once every two or three years the very necessary training camps for Scoutmasters and Cubmasters to enlist new scouts to take the place of the old scouts who leave the Association from time to time.

It is therefore requested that the Honble the Resident may be pleased to sanction the non-recurring grant for this year.

I beg to enclose herewith for your kind perusal the budget estimate for the year 1932 based on the last 3 years actuals.

The Secretary
to the Hon'ble the Resident in Mysore. Bangalore.

Dear Sir,

I am directed by the Executive Committee of the Bangalore Boy Scouts Association to approach you with the request that the non-recurring grant of Rs 500/- from the Government be renewed this year.

This year the Association have made arrangements to open a Reading Room and Library for Scouters so that they may read up-to-date literature on the subject and be in touch with all circulars issued by the Imperial Head Quarters, London and General Head Quarters, India; without which the scouters cannot be expected to make any progress and be up-to-date in Scouting.

This is a very great want at present, without which no advance can be made, as the scouters not knowing the recent methods are unable to train efficiently scouts and thereby scouting is becoming stale and unattractive.

BANGALORE ..... 193 .

This will entail on the Association an additional initial expenditure of Rs 300/- for purchase of books, furniture etc and a recurring expenditure of Rs 300/- per year according to the present estimate. So the excess of income Rs 525-8-8 shown in the statement of income and expenditure, Appendix 3 will be spent for this purpose and the balance will be practically what it was in the previous year.

Without the Government Grant for 1933, the Association will be able to meet its expenses for the year, only by drawing on its accumulated funds and thereby endangering the future of the Association. These funds as was pointed out last year are necessary to run, once in two or three years, training Camps for Scoutmasters and Cubmasters to enlist new scouters.

It is therefore requested that Your Worship the Resident may be pleased to sanction the non-recurring grant this year.

I beg to enclose herewith for your kind perusal the budget estimate for the year 1933, based on the last three years' actuals.
